We're off and Running!

Dear Friends,

Well, week 1 of the 2016 Session is now in the books. It's been a busy first week in your General Assembly, and I'm looking forward to advancing common sense, conservative policies that will benefit Virginians across the Commonwealth. You can find a listing of my legislation at the following link: <http://lis.virginia.gov/cgi-bin/legp604.exe?161+mbr+H148C>.

In the coming months, you can be sure that Governor McAuliffe will attempt to advance his liberal agenda, including anti-2nd amendment legislation and Medicaid expansion. You can rest assured that I will do all that I can as a legislator to put a stop to these freedom inhibiting and job-killing policies, while continuing my work towards needed reforms in state government

To be sure, jobs and the economy will be a top legislative priority for

me as well as streamlining our education system and giving families as many options as possible so you can best decide how to educate your child. I have submitted legislation to help our homeless veterans, and have also put forth measures to help clean up and revitalize the Chesapeake Bay. And of course, I will also keep a keen eye on hunting and fishing issues to make sure sportsman's rights are assured.

In short, there is a lot of important work to be done this session, and I couldn't feel more blessed that you have returned me back to Richmond to work on your behalf. I never forget that the reason I'm here is to serve you, so please feel free to contact me at DelSLingamfelter@house.virginia.gov if you'd like to share your opinion on any piece of legislation, or if you'd like to schedule a visit with me in Richmond.

And now, I'm heading home to be with Shelley and my trusty Labrador, Sonny. Have a great weekend!

Sincerely,
